### **Health QuBE**

# PROSPECTUS

The Prospectus is intended to facilitate an easier understanding of the Policy terms, conditions and exclusions. It only gives a summary of the significant benefits and exclusions associated with this product. When issued the Policy attached with this statement represents the legal contract between yourself and Raheja QBE and should be seen for complete details.

If you need any clarification on coverage, please call your nearest Raheja QBE office or your insurance adviser.

# Why Health Insurance Protection?

No one plans to get sick or hurt, but most people require medical care at some point in their lives. Health insurance can cover these costs with many other benefits.

Without Health Insurance you may not be able to pay expensive medical expenses when you need them most.

You require health insurance so that you are not out of pocket when paying up your medical expenses.

### The policy will cover whom?

The Policy would cover all the persons from the age group of 90 days to 65 years. The minimum adult entry age is 18 years, and the maximum entry age is 65 years.

Children up to 25 Years of age can be insured under the policy

Children from 90 days till 5 years can only be covered provided either of his/her parent or legal guardian is insured with under the same policy (family floater).

Maximum cover ceasing age for children is 25 Years. In case of Family floater policies, the young adult would have an option on renewal to continue as an adult with the suitable change in premium slab. If the Plan cannot accommodate the young adult. We would offer him an Individual policy with equivalent SI and NCB vested at corresponding premium slab.

The policy provides for lifelong renewals.

The Policy can be issued for 1 or 2 years. The benefits are on policy year basis. The policy can be issued on an Individual or Floater cover basis.

We cover maximum 6 members in a family floater and individual type of cover.

In a family floater policy age of eldest member is taken into consideration while computing the premium.
